Interim Progress Report (CA 02)

Objective

- Each group must submit **ONE (01) Interim Progress Report** demonstrating the current progress of the E-Commerce Platform development.
- **A minimum of 35% of the overall project development must be completed** by the submission deadline.

Submission

- **One (01) report per group only.**
- File name: **Group_XX** (e.g., **Group_01**).

Report Guidelines

- The report should contain **only:**
    - Screenshots of the completed work.
    - A **brief explanation (2–3 lines)** for each screenshot.

Evidence of Progress (Examples Only)

Note: The following are **examples only**. You are **not required** to complete all of these components. Submit screenshots of **whatever has been completed**, provided the overall project progress is **at least 35%**.

Frontend (Examples)

- Home Page
- Product Listing

Backend (Examples)

- REST API
- CRUD Operations

Database (Examples)

- Database Schema
- Tables / Collections

External Integrations (Examples)

- Payment Gateway Configuration
- Email / SMS Service Integration
